

Antique Amethyst Diamond Gold Earrings

1 700 EUR

Period : 20th century

Condition : Parfait état

Description

A nice pair of old earrings with a drop of amethyst and a top resembling a love knot. The whole set in 12 carat gold (marked and verified touchstone). The diamonds are set in silver as a tradition for a better brilliance. Early 1900. They are in perfect condition.

- Dimensions: cm. 3,5

- Weight: gr. 14.2 (pair)
