Pair Of Eighteenth Benitiers In Golden Wood

550 EUR

Period : 18th century

Condition : Très bon état

Material : Gilted wood

Width : 23 cm

Depth : 17,5 cm

Description

Superb and elegant pair of blessings in gilded wood, 18th century. In the shape of a finely sculpted scallop shell, they are decorated with scrolls at their base. The sculpture is plump and generous and the gilding in perfect condition. On the back 2 pins allow to fix them, superb quality decorative element in excellent state of conservation.
