Brooch Jades Line And Pearls

2 700 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Old brooch formed by a line of 4 jade cabochons engraved with flower motifs, separated by 6 pearly white cultured pearls. The clasp is pump.

Period: 20th century

Main material: 750 thousandths 18k yellow gold, eagle head hallmark.

Proportions: Total length: 6.8 cm, width: 1.19 cm.

Net weight: about 9.6 g.

Ancient authentic jewel - French work from the 1930s.

Our opinion: Very contemporary lines for this jade brooch.
