2 450 EUR

Period : 17th century

Condition : Très bon état

Width : cadre 49,5cm vue 38

Height : cadre 41,5cm vue 30cm

Description

Superb oil painting on oak panel from the end of the 17th century. It represents an animated scene where we see different characters with mules carrying cargo. In the background we can see, surrounded by hills, a river on which boats sail. On the left side a tree hides an architecture. High quality painting, lively and animated The whole is presented in a wooden frame carved with oak leaves and gilded with small repairs. Stamp mark on the back.
