18th Century Bal Carnet In Shagreen

420 EUR

Period : 18th century

Condition : Bon

Material : Shagreen

Width : 7,8 cm

Height : 10,5 cm

Description

Elegant eighteenth-century ballroom book in shagreen and silver mount. It opens in 2 and reveals inside 2 pockets and an ivory support held by silver fixings. It also includes the small silver pencil with the hallmark of the eagle's head. Used interior and slight slit on the back on the shagreen. Rare charming object, in good condition for a usual object.
