

Pair Of

380 EUR

Signature : Mérintier

Period : 19th century

Condition : Bon état

Material : Gouache

Width : 26

Height : 19

Description

Pair of gouaches framed under glass (which explains the reflections in the photos), showing the city of Marseille at the end of the 19th century, the quay of the port for one and an urban canal for the other. The colors are very fresh. They are signed lower left. Dimensions with the frame 26 x34 cm
