### Description

Astonishing pair of Louis XV style consoles in gilded bronze: most of the time we meet them in wood and gilded stucco, for once this pair of wall consoles is in gilt bronze.

they are Louis XV style and manufacture dating from the 2nd half of the 19th century. they have an extremely detailed decoration: windings, staples, shells, flowers, many decorative elements specific to the Louis XV style.

very nice quality of carving, they were melted with sand in two parts: the very worked body and the plate.

very easy to install fixing holes have been provided to facilitate installation, take a good look at the photos.

beautiful original gilding.

an unusual model of wall consoles, very
