### Description

The achievements and attached photos illustrate the interest of using old materials in decoration : quality of materials, charm and personality, adaptation to the constraints of the place, extraordinary decorative results.

These materials are pegged, so they can be dismantled without damage and readjusted on site. They are steeped in history (quality of the wood, moldings and paneling, traces of experience, exceptional ironwork), they are elegant, they take on the light in a fantastic way, they catch the eye to the changes of light and constantly surprise.
