Description

Beautiful pair of Louis XVI style wall lights in gilded bronze. On a plate richly and deeply chiseled with asparagus tips, two sconces with acanthus leaves carry the candles. An urn with a garland of leaves at the top. The sconces are drilled to pass the power supply (to be done by your electrician). Beautiful shiny gilding, duller binets. We left them by candlelight for a romantic or grand century atmosphere. Period early twentieth century. Delivery 18 euros in France, 35 euros in the EU and 60 euros rest of the world.
