Pair Of Frames Louis XVI Period

230 EUR

Period : 18th century

Condition : En l'état

Description

Pair of frames, 31 X 42 cm, 27 X 38 cm at the rebate.

Louis XVI style, 1780 period.

This pair of frames should have been originally primed and gilded, but it was stripped with wood, thus revealing the half-mounting on which the carved part is studded. As the photographs show, they are a little disjointed and play in the angles, but will be stiffened by the addition of a glass.

They can be integrated into a modern interior or on the contrary into a mansion by their side "in its original juice".

Perfect for presenting very modern or even contemporary works.

Do not hesitate to ask us by mail or telephone for additional information or photos.
