PROANTIC
LE PLUS BEAU CATALOGUE D'ANTIQUITES

Pair Of Biscuits (man And Woman)

650 EUR

Period : 19th century

Condition : Parfait état

Material : Porcelain

Height : 40 cm pour chacune

Description

This pair of cookies representing two characters, one elegant and one elegant. The gallant man seems to be charming this pretty young woman. These figures are dressed in 18th century style but these porcelains date from the end of the 19th century, around 1870 / 1900. They are absolutely perfect. It's almost unbelievable that there haven't been any shocks for all these years.
