Description

PAIR OF GIRANDOLAS BEARING THE SIGNATURE OF BACCARAT Very nice balance for this pair of girandoles. On a scalloped bronze plinth with brown patina decorated with a thread of pearls, stand out two aligned branches supporting cups cut in the shape of a flower bearing the signature of BACCARAT in "baton" letters (see photos) The central shaft is adorned with glass balusters with gadrooned belly, three rows of pendants of different sizes surmounted by a flower and ending in a largely molded spire. Formerly fitted with electricity, no longer up to current standards, the bulbs can be replaced by candles. The whole gains in elegance (see photo). Note some small chips Delivery by carrier (quote on request) or by me within a radius of 50 km. Height: 44 cm Width: 36 cm Base diameter: 10.5
