Diameter : 26cm

Height : 81cm

Description

A stunning pair of large 18th-century carved wood candlesticks, measuring 104 cm in height with lampshades. Each candlestick features intricate carving and is silvered on one side, creating a beautiful contrast between the natural wood and the silver finish. The delicate woodwork showcases the high-quality craftsmanship of the period, and the impressive size of these pieces makes them outstanding decorative objects.

Candlesticks of this size and style were commonly used in prestigious interiors to illuminate and embellish salons and reception rooms. These items, both functional and decorative, add a touch of elegance and grandeur to any space, evoking the splendor of
