Description

"African opening bracelet in bronze" chiseled and engraved bronze, 11 cm high and 12 cm in diameter.
Origin Africa (Ivory Coast?), Circa 1950.
In a very good quality of execution, this bracelet is articulated and opens, which is not very common in Africa.
Very refined, the ring has raised gadroon edges.
Well, that's it, a page is turned: after 11 years of occupation, we are leaving our official apartment in Biarritz. But Nature and I have a horror of emptiness, I let you imagine everything there was inside and the house where we are grouping the move may be large, I will have to separate little by little of a certain number of objects, furniture and paintings...
So, it is the case to say it, they are of an excellent
