silversmith Robert Collos in Fécamp in 1742, he was received as a master in Caen in 1754 after the creation of a coffee maker as a masterpiece. He changed his small maker's mark in 1760 by a "crowned P" (ref. Photograph of the punches). He became a guard in 1763 and 1775. Still mentioned on the list of goldsmiths in 1788.

Some pieces of this silversmith are listed: a chestnut jug from 1768, in a Norman collection, a stewing spoon and a dish.
