

Original Terracotta Women In Antique L

1 450 EUR

Signature : Feissberg??

Period : 20th century

Condition : Bon état

Material : Terracotta

Diameter : 20

Height : 42

Description

Original terracotta representing two young women draped in the Antique style, one holding the other by the shoulder, the latter holding a kid in her arms, at their feet a child giving fruit to the animal, this elegant terracotta with round bases is presented in its old patina, with a "homage to Mr Feissberg 1918" on the back, small accidents on the back at the base of the plinth
Pretty classic composition of good size around 40 cm; in the spirit from the end of the XVIII
