Description

Painting, oil on canvas (re-lined), representing an old man knitting with a boy by his side. "At the Musée de Grenoble is the same identified version: An original by famous artist Michael Sweerts, made between 1646-1650, 43.5 x 34 cm (almost the same dimension." Our version seems less detailed; probably a copy after this painter or entourage (workshop?), from the 17th century, Italian Renaissance style posterior frame, restored condition.
