Description

Very beautiful painting by Marc Seris in abstract style entitled "NEO". On a rectangular canvas the artist painted the work in a perfect circle where we can see an aggregation of different materials (collage of ship's sail cloth, tree leaves, diverted advertisements). The whole is represented with a very wide chromatic palette (blue, red, black, white...). In a "Pollockian" vein, this work is loaded with emotions and very intellectual. Worldwide delivery possible. This object can be viewed in our Bordeaux store at 56 rue Notre Dame. The objects are carefully packed in our workshops before delivery. Do not hesitate to contact us for more information
