Description

Oriental style blue and white overlay opaline bottle. In thick tripled glass, it develops abundant cut decorations and golden reserves in beaded medallions. Perhaps Ottoman Empire, Turkey or Bohemia for the Ottoman market, however the bottle is richly decorated despite its wear of gilding, pearls and missing cap. XIXth century. Height: 14, 7 cm Very beautiful and bright blue color consistent with that of the photos. Many other objects to discover in my stand at the Trade Shows in which I participate.
