Description

An Art Deco piece featuring a diamond-shaped, wavy-edged silhouette. The high-relief floral basket design incorporates roses, peonies, poppies, and foliage. The lower section features bold fluting, while the background--with its diamond pattern--draws inspiration from the Régence style. The vessel's form follows the contours of the recessed floral motif, beautifully showcasing the contents. It bears the "Guéron France" signature, originating from the Degué workshop. Delivery is available (not included in the price). I welcome your offers! A new adventure is on the horizon.
