Pair Of Wooden Columns Dating From The Nineteenth Century And Representing Two Characters

900 EUR

Period : 19th century

Condition : Très bon état

Diameter : 22 cm

Height : 83 cm

Description

Very nice pair of wooden columns dating from the 19th century. The interior columns were used to place various objects such as lamps, flower pots, candles .... This pair of columns carved in wood represents two men standing in the same position as gargoyles. The figures support the column table on their backs. Their face is very detailed. Height: 83cm Diameter: 22cm Weight: 15.4kg for both sets
