Description

Pair of large vases (62 cm) by Paul Millet Sévres. They are mounted with a beautiful garniture of gilded bronzes. In a beautiful speckled cobalt blue, they are made up of 4 parts (the shower base, the ovoid central part, the neck and the cover) Each level of the vases is separated by a gilded bronze part. The cover ends with a grip in the shape of a small pine cone. The 2 handles are in the form of knots decorated with bay leaves. Very decorative to accompany a clock or to place on either side of a sculpture. Paul Millet (1870-1930) Period late XIX Ieme. Welcome to my store in Nice opposite the Masséna museum and just behind the famous hotel Le Negresco.
