Description

Interesting English box from the English Regency period circa 1830, which could originally be used for many things. It could be fitted out for storing home teas. Eventuellemet also, it could be used for the presentation of the wines of the evening for a dinner.And finally storage for the effects related to the work of sewing, tapestries etc ... It is in solid mahogany and veneer, some small restorations of usage are to be noted. It is visible on its four sides. The brass castors are original. Its key and lock are also period and original. a priori, it lacks an interior layout. According to your needs you can arrange the interior.
