Depth : 22

Description

A Beautiful Expressive Carved Wooden Bust Of a Woman, Signed B. Tuerlinckx = Boudewijn Tuerlinckx (Mechelen 1873-1945) Boudewijn Tuerlinckx is well known for his war monuments in Mechelen. Interesting is to see, that there is a great possibility that the woman sitting as a model for our bust is the same as the woman on the war monument, maybe it was his wife. The war monument is carved in 1928-29. The bust is in original wonderful condition with very nice old original patination, there are no restorations, missing pieces or cracks. Belgium circa 1920-30 47cm high 31cm wide 22cm deep
