Description

Art Nouveau style glass vase from the LEGRAS manufacture, to be compared to the "Santiago" model reproduced on page 339 of the catalog raisonné by Marie-Françoise and Jean-François Michel, Dominique and Jean Vitrat.

the particularity of the model is that it is dated February 3, 1929, the date of the wedding of the worker working for the factory and a vase made and offered by his work colleagues. It is therefore of great finesse and quality of execution.

engraved and enamelled seaweed decoration on an amber background lined with milky beige.
