Description

Pair of Gien earthenware lamps.

Formerly a kerosene lamp, they have been electrified. The frames (base and upper part) are in bronze.

The earthenware in Gien with Italian Renaissance decorations includes arabesques, sphinxes, and cherubs.

No fells, no accidents, the earthenware is in perfect condition.

All our lights are fully restored by our workshop, both in terms of structure and electricity and are therefore in perfect condition of presentation and operation. Bulbs to be used: Bayonet bulbs, type B22.
