18th Century Mouchette And Tray

200 EUR

Period : 18th century

Condition : Bon état

Description

Iron mouchette on feet in very good condition and partially silver-plated copper tray. Nice work of engraving and embossing. The mouchette is an old instrument in the form of a pair of scissors provided on its blade with a small receptacle intended to collect the burnt wick of candles and oil lamps to prevent them from smoking.

Mouchette : 17 x 5 cm
Tray : 24,5 x 11 cm
