Description

Oil on panel placed on cardboard and framed by a gilded wooden frame. There is a workshop stamp at the bottom right which was much more visible when I acquired it (it is part of my private collection). The paint is in good condition. The frame has a few small gaps in places. Magnificent and delicate painting of a young woman at the seaside, it is certainly Brittany since the painter comes from Nantes and that he very often painted in this region. Size of the painting: 24 x 18 cm Size with frame: 39 x 33 cm Paul Emile CHABAS (1869-1937) XX century. French. Painter of compositions with characters, nudes, portraits, seascapes.
