

Pair Of Fighting Roosters In Sterling Silver

890 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Description

Pair of fighting cocks in solid silver.

Hollow interior.

Very nice carving. Spanish work from the mid-20th century, hallmarked with a star (1st Spanish title 915/1000).

Note small tear in the silver on a feather, see photo, but which does not prevent its strength because there is sufficient thickness of silver.

Otherwise both are in perfect condition.
