Directoire period office. The top has a celadon blue leather (typical color of the time laid by me). Its framing frieze is in speckled mahogany just like the belt. (the bottom of the belt is 58 cm)  
This one includes three deep and long drawers with an interior zipper (on the right side.) The slide has been revised and there are two keys for more comfort of use. The feet are covered in solid mahogany. The keyholes and shoes are in bronze  
It is visible on all four sides so ideal also in the middle of the room. Delivery possible not included in the price.
