Description

Magnificent and very refined Empire style cutlery set in solid silver, made in the famous Wolfers workshops in Brussels. The design of this model and its first production date from the end of the nineteenth century. Given its great success, the Wolfers firm has never stopped manufacturing it. This set dates from after 1942. The set is executed in the purest Empire style with its typical knives with their rectangular rather than round handles. Weight of silver : grams. Knives' weight: grams.

In total it contains :

12 table knives

12 table forks

12 soup spoons

12 first course or desert forks

12 first course or cheese knives
