Fireplace Servant In Brass Late Nineteenth

480 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Height : 70 cm

Description

Superb 19th century brass fireplace set. It includes the polylobed-shaped support provided with a vertical rod and a strapping at the top holding a clamp and a brass shovel to the model. The whole is finished at its end by a spinning top. Quality work in excellent condition.
