

Oil The Notary Clerk, Work Of XIX

1 350 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Width : 31.5

Height : 40.5

Description

Oil on canvas (original canvas) representing a notary's clerk at his desk, cutting his pen with "seriousness", he is represented sitting on a chair, with a frock coat and cap in his working environment with many books and papers The attitude reveals a character in his "business" but not that of a notary because the decor, the costume remains modest XIX work from the Consulate or Restoration period, the work is in good condition, it is presented in its contemporary wooden frame and gilded stucco The whole is very decorative Size with the frame: 55 by 46
