400 EUR

Period : 20th century

Condition : Restauré par notre atelier

Diameter : 50 cm

Height : 70 cm

Description

Chandelier model fireworks year 50. The frame is composed in the lower part of a pearl, the branches in a semicircle end in a point and are held on a black lacquer base. It is connected by a brass baluster mounted on a rod with at the end a lacquer dome adjustable in height. The tulips are impeccable with their edges in matt and transparent relief. They are held in place using a clamp system. It is small in diameter and therefore easy to place. the frame has been cleaned and varnished ... no maintenance to be done. Electricity has been revised. Delivery possible not included in the price
