2 400 EUR

Period : 18th century

Condition : Petites accidents et velours posterieur

Length : 54 cm

Height : 30 cm

Depth : 18,3 cm

Description

Rare and interesting 18th century French spinning wheel in ebony, ivory, metal and velvet. This spinning wheel must have been made during the revolutionary period in France since it has the portrait of L XVI carved in ivory. The royal family was not well seen at that time in France. Lots of images were hidden, so the owner had to be a royalist.
