

Elephant Stool Ceramic From China

450 EUR

Period : 20th century

Condition : Très bon état

Length : 58 cm

Height : 48 cm

Description

Superb and elegant elephant forming a stool in varnished polychrome ceramic. It is presented standing covered with a blanket on which rests a square base. Superb decoration on the whole or the patterns and material effect are very realistic. The colors remained bright and luminous, the elephant's mouth is smiling, which gives the whole even more charm. High quality work in excellent condition, can be used as a stool or as an extra.
