Description

Persian Tabriz rug with important floral decoration throughout this room.

For a size of 138 cm wide by 190 cm long excluding fringes, this rug is in good condition, with normal wear on the edges.

The sturdiness of the Tabriz means that these rugs last for years and become more beautiful over time.

The colors present different blues, red, white and almond greens which combine perfectly with the effect desired by the knoter, of an important floral composition, both on the field and on the borders.

In short, a beautiful rug from ancient Iran for patina and orient lover.
