

## Keller - Toilet Bottle

260 EUR

Signature : Keller

Period : 19th century

Condition : Très bon état

Diameter : 5,6 cm

Height : 13,4 cm

Description
-------------

Crystal and silver bath salt flask.

The cap is placed on the bottle, once it has been removed, the spout of the bottle is unscrewed and it can be filled.

It is currently filled with blue bath salt.

The crystal part is twisted, the underside of the bottle contains a 24-pointed star reminiscent of the Saint Louis or Baccarat houses.

French work of the 19th century, hallmarked with the neck brace and produced by the silversmith Gustave Keller working in Paris between 1856-1891.

Dimensions:

Total weight : 438 grams

Diameter of the cap : 4.1 centimeters

Height with cap : 13.4 centimeters
