

XIXth Savoyard Cutlery Door In Glazed Sandstone

650 EUR

Period : 19th century

Condition : Très bon état

Diameter : 34,5 cm

Description

Superb and large covered door from the XIXth century in glazed earthenware. Round in shape, it includes 2 ovoid-shaped receptacles, open at the top for putting cutlery, drilled below to allow drainage. The glazed earthenware set is in ocher and brown tones, adorned with light streaks. Very characteristic work of the Savoie. Popular and collector's item of quality in very good condition.
