LE PLUS BEAU CATALOGUE D'ANTIQUITES

## Palatial Size Vitrine Baroque Style

25 000 EUR

Period : 19th century

Condition : En l'état

Material : Painted wood

Height : 280

### Description

Important and very impressive vitrine in polychrome wood , finely painted and carved , the doors at the bottom represent Asian people.

Louis XV style , probably an Austrian work around 1870.

This vitrine is in a general good condition , there are some small restorations to do (some touch-ups in the paint work and some small gaps in the sculpture , nothing serious ).

Dimensions :

Height 280 cm

Width 220 ( back ) /120 cm ( front)

Depth 60 cm
