Description

Sprinkler composed of a glass body with cut sides and facets, and its silver-plated stopper.

The two are assembled by a screwing system.

Very good condition, no accidents on the glass or slight scratches of use on the silver metal part.

Possibility of managing the output flow by a screwing system, the more it is aimed the less the flow is important and vice versa.

French work from the 20th century, from the famous Christofle house, stamped Christofle France in full.
