ARTHUS (XXth)

Sarlat: place de la Liberté

Graphite on paper

H. 40 cm; L. 60 cm

Signed, located and dated 1989

Unfortunately the artist will remain anonymous until further notice, leaving no other known traces in the region and in the history of contemporary art. Certainly a great amateur in love with architecture, this talented designer went to the heart of the Périgord Noir at the end of the 1980s and produced this view of the Place de la Liberté in Sarlat. It seems to have been emptied of its stalls and especially of the restaurant terraces that commonly clutter the place, to regain all its splendor for simplicity.
