-------------

Henry MANGER

19th-20th, French

Landscape with flutist and heron

Painting, oil on canvas

Signed "Henry Manger" and dated 1909

Painting: 65 x 68 cm (25.6 x 26.8 inches)

Oak frame: 77 x 81 cm (30.3 x 31.9 inches)

Very good condition, 1 small discreet restoration  
(see back)

On the back, a handwritten annotation: "Mr.

Manger / 1 rue Villaret de Joyeuse [Paris 17th]"

Beautiful landscape with flutist and heron. The child symbolizes youth. The heron is traditionally the symbol of patience and knowledge. Is this an allegory of patience in learning music? The colors are bright. A favorite.
