Condition : Très bon état

Material : Earthenware

Width : 20 cm anse à anse

Diameter : 14,3 cm au col / 11,5 cm à la base

Height : 40 cm

### Description

Gien earthenware spindle-shaped vase with two handles. Very beautiful decoration "with peonies" representing a tangle of flowers in shimmering colors, branches and foliage, on a light cream background. Each take in shades of blue has the particularity of being double and forming a stylized knot. Stamp of the manufacture under the base of the vase, deposited for the period 1938. Shipping and protection costs 30 euros in metropolitan France, other destinations contact us
