

Bamileke Apparat Glaive - Cameroon

300 EUR

Signature : Bamileke

Period : 20th century

Condition : Etat d'usage, quelques manques

Material : Wrought iron

Length : 68 cm

Width : 11 cm

Description

Glaive and its ceremonial scabbard. The blade is made of wrought iron with a wooden handle bearing a beautiful patina of use. The scabbard is made of strips of wood (gaps) covered with an animal skin, different fabrics and a cowry sheath. Beautiful object indicating a noble lineage. The fabric is damaged in places.

Dimensions for the sword: 68 x 11 cm

Dimensions of the scabbard with the "ears": 54 x 36 cm
