Description

This beautiful gilded bronze lamp, in the hot water bottle style, rests on a base in the shape of a bowl with a finely chiseled border and center. The central shaft is gadrooned at its base and supports three sconces in the shape of a cornucopia. It is finished with an acorn-shaped fretel. The electrification is in good working order, the three lampshades that cover it are dark amber and are new. Beautiful production of the mid-twentieth century. A second identical lamp is available. Dimensions: height of the lampshade 38 cm height of the central fretel 28 cm lampshade height 11 cm // diameter 14 cm at its base. Shipping and protection costs 20 euros in metropolitan France, other destinations contact us.
