Description

Moud Carpets, originally from the region of the city bearing the same name, located about 300 kms from Macchad, also known for its wonderful rugs. The Moud are high quality carpets, we recognize two types: the "Moud Mahi", with herati-like patterns and having a star-shaped medallion of beige color, either in shades of light red, light blue, orange like our model and the "Moud Garden" only decorated with Herati motifs without medallion.

Our model is made of the best quality wool, the whole on a cotton weft for a density of approximately 450,000 knots per M2.

The use of silk helps to enhance the shine of the pile and these rugs always have silk in the manufacturing mix.

This carpet is in superb condition while having a
