

Pair Of Empire Candlesticks, Antwerp Around 1814-1822, Johannes Thomassen, Sterling Silver

2 350 EUR

Signature : Johannes Thomassen

Period : 19th century

Condition : Parfait état

Material : Sterling silver

Diameter : 13 cm

Height : 29 cm

Description

Elegant pair of Empire candlesticks in solid silver with the hallmarks by the silversmith Johannes Thomassen, Antwerp 1814-1822. They also bear the hallmark of eeyeur Capouillet, which is rather rare. They are of a very good height and are engraved on their stems with an elegant frieze of typical Empire decorations. Weight 840 grams wood included
