

Japanese-inspired Porcelain Enamel Lamp

220 EUR

Period : 20th century

Condition : Parfait état

Diameter : 14,5 cm

Height : 29 cm

Description

Pretty lamp decorated with white Japanese quince with a bird with multicolored plumage on a branch. This baluster-shaped lamp ending in a generous pedestal (very good stability), is in porcelain with enamelled decoration. The ensemble is in perfect condition. There is a pad under the base.
