### Description

**CHARMING TENDER PORCELAIN BOTTLE  
FROM MENNECY, 1745-1765**

**\*\* De Villeroy-Mennecy \*\***

Oval-shaped surmounted by a circular stopper, with molded decoration in imitation of basketry, it is embellished with a beautiful polychrome decoration painted with bouquets of flowers and flowering twigs.

The fretel formed by a flower bud (note a small lack of the stem; see photo).

On the reverse side, a partially erased, illegible painted mark (the DV mark is perhaps under the oven attachment which concerns the reverse as you can see in the photo below; but it is not systematic).
